Remit 1	For (✓)	Against (✓)
<p>That the date prescribed for the Soil & Health Association AGM to be held, be moved out to a date later in the year.</p> <p>Reason for the remit: Currently the date that the AGM must be held by each year is 31st May. The request to change the date, possibly to 30th September, would allow more flexibility for the AGM to be held with, or avoid, other prominent Organic Sector events, for example, the OANZ Conference.</p> <p>Current Constitution wording of relevant point: 6.1 There shall be held in each year not later than the 31st of May an Annual General Meeting of the Association to transact such business as may be appropriate including:</p> <p>Change requested by remit would alter the date only, for example: 6.1 There shall be held in each year not later than the 30th of September an Annual General Meeting of the Association to transact such business as may be appropriate including:</p> <p>Proposer: Holger Kahl, National Council Seconder: Carol Knutson, Association Manager</p>
